Reserve Bank of India established the College of Agricultural Banking (CAB) in 1969 to provide training inputs in Rural and Cooperative Banking. Subsequently, recognizing the changing needs of the Indian financial sector, the College expanded its scope to provide training in other areas like agricultural banking, MSME financing, Financial Inclusion & Literacy, Human Resources & Leadership, etc. From the Academic Year 2021, the College has further identified four focus areas(4 Cs), namely, Corporate Governance, Cyber Security, Consumer Protection, and Compliance Management, to build capacity amongst the bankers and financial professionals to enhance the robustness and service standards in the financial system.

The College also conducts programmes and research conferences in collaboration with various institutions. . The College further conducts customized training programmes for institutions, both national and international, as per their specific requirements.

The College has been nominated as the 'Nodal Institution' for imparting training to various stakeholders of UCBs on cyber security under the Mission 'AVTU' in 2021, apart from being nominated as the Nodal Institution to impart specialised NAMCABs workshops in the area of MSME financing, since 2015.
